AgVentures!®

LUAU FOR LEARNING

On behalf of the International Agri-Center® and the AgVentures!® Learning Center, we thank our dedicated sponsors and participants for your continued support and dedication to this event.

Jerry Sinift
Chief Executive Officer
International Agri-Center®

The AgVentures!® Luau for Learning will be held on Saturday, October 4, 2025. By joining us, you will help support a learning environment that benefits local schools, our youth, and the community. Funds raised through the AgVentures!® Luau will benefit the AgVentures!® Learning Center and Museum at International Agri-Center®.

Thanks to the continued support of our generous sponsors and enthusiastic participants, AgVentures!® continues to grow and evolve to enhance the visitor experience. We are currently working on an exciting rebrand, which includes a new logo and the development of engaging new interactive exhibits that will inspire and educate visitors in fresh, dynamic ways.

What is AgVentures!®

The AgVentures!® Learning Center is a place of discovery, where guests explore the vital role agriculture plays in our daily lives. Through engaging, hands-on exhibits, visitors gain a deeper understanding of the journey behind the food, fiber, and resources we rely on every day.

As part of our mission to promote agricultural education, we are proud to continue welcoming students from across the Central Valley. The Learning Center provides meaningful, interactive experiences that connect youth to the world of agriculture in fun and memorable ways.

AgVentures!® Mission

AgVentures!® Learning Center was created to enlighten visitors on the vital role agriculture plays in our society by communicating the link between agriculture, people, and the environment.
